

Hospice Volunteering...

Patients benefit, and so do you.

Would you like to be one of the team members who support patients and families in our hospice program? The gift of your time can make a profound difference. Our volunteers agree - you will receive much more than you give!

Provide emotional support and practical help as our hospice patients live life to the fullest, at the end of their lives.

- Companionship – like cribbage, reading, knitting
- Respite for a caregiver
- Errands or meals, music or quiet comfort
- Pet care, through our unique Pet Peace of Mind program

Training provided on your schedule

**To volunteer, call (802)463-4671 Ext. 3113 or
email lwaller@vnavnh.org.**
