

Hospice...

*it's about living each moment to
the fullest.*

We're the largest hospice (and the only non-profit hospice) in the Upper Valley, providing 100+ years of individualized care, pain and symptom management, and emotional and spiritual support.

Our commitment:

- **Serving all ages – including children**
- **Regular visits by Medical Directors**
- **Over 100 volunteers for non-medical needs**
- **Bereavement services for families and the community**
- **Skilled, caring professionals, available 24/7**
- **Assistance with animal care through Pet Peace of Mind**

We are honored to provide clinically excellent homecare and hospice services to all our communities.
